STATEMENT:

It is a great privilege to serve Alaska in the U.S. Senate. My goal is to work with all Alaskans to create opportunity, jobs, and a safe and secure future for our state.

Alaska continues to play a critical role in national defense. We must make sure our military forces are the best in the world. And we must care for those who have served.

Improved roads, airports, ports, and a strong communications network will provide an economic infrastructure for our state. I will continue to try to make sure Alaskans have the facilities to support our economy.

Alaska's resources can be developed safely and without harm to the environment. I will continue to work to allow exploration in the National Petroleum Reserve Alaska and ANWR.

Education for Alaskans means a brighter future. I have helped to get more support to the University and to make sure that federal education laws recognize Alaska's needs.

Improved health care is essential. I support a prescription drug benefit for Alaska's seniors. Telemedicine, the PET scan, and improved medical education, which I have supported, will bring the highest quality care to all Alaskans. I continue to support research into breast and prostate cancer, Alzheimer's, and other diseases.

I am also working to help Alaskan fishermen compete in world markets and to ensure that our fisheries are sustainably managed for the future.

"Do what's right for Alaska" continues to be my motto. I ask for your vote in this election.
